Cleaning Technology

Your expert for cleaning technology

Sales & Service

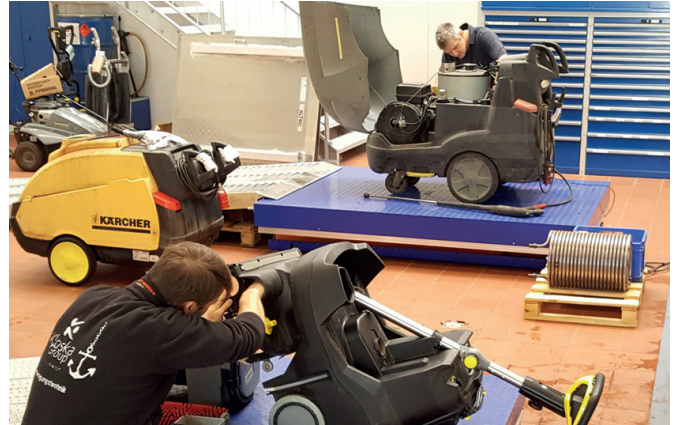

Trust in the many years of experience of our specialists. We support you with our comprehensive and solution-oriented advice – you can always count on your personal advisor to assist you.

Convince yourself of the quality of our products at an individual demonstration in our store or on your premises.

Advantages of the Kloska Group

Thanks to access to the comprehensive range of services of the Kloska Group, our customers enjoy all the advantages of a strong network of competent companies.

Cleaning technology of various brands.

Our own workshops

Comprehensive, solution-oriented consulting is our top priority and always linked to the goal of offering you the optimum cleaning machine. If required, we also design systems and devices according to individual specifications and wishes.

In the workshops of the Kloska Group, we assemble washing hoses for almost every application on board. All hose lines meet the highest quality requirements and comply with the applicable standards.

In addition, we offer everything from a single source, from repair to after-sales service and maintenance, to all devices of all brands through our specialist workshop and our field service technicians.

For one-time use or for bridging repair times, we keep corresponding rental equipment in stock.

Safety equipment

certified for work with 500 bar pressure cleaner

**High pressure cleaner
Compact class**

150 Bar

Unheated high pressure cleaner for daily commercial use

Technical data

Item No.: 539359
Current type
Ph / V / Hz 1 / 220 / 60
Flow rate l/h 230–570
Working pressure bar / MPa 30–140 / 3–14
Working pressure PSI 450 / 2030
Max. inlet temperature °C 60

Equipment

Spray gun EASY!Force
High-pressure hose m 10 / Premium quality
Spray lance mm 840
Triple nozzle (0°/25°/40°) Manual
Pressure cut-off

Spare Parts

High-pressure hose m 10 / m 20/ m 30 Premium quality
High-pressure hose connector
Dirt Blaster Nozzle
Triple Nozzle

**High pressure cleaner
Compact class**

250 Bar

The device is of sturdy design and convinces with EASY!Force high-pressure gun, pressure switch control and rotatable stainless steel spray tube

Technical data

Item No.: 539360
Current type
Ph / V / Hz 3 / 440 / 60
Flow rate l/h 500–1000
Working pressure bar / MPa 30–220 / 3–22
Working pressure PSI 450 / 3200
Max. inlet temperature °C 60

Equipment

Spray gun EASY!Force Advanced
Brass water inlet
High-pressure hose m 10
4-pole, three-phase motor with air and water cooling
Pressure cut-off

Spare Parts

High-pressure hose m 10 / m 20/ m 30 Premium quality
High-pressure hose connector
Dirt Blaster Nozzle
Nozzle

**High pressure
cleaner Premium class**

500 Bar

The most powerful device of our 60Hz models with automatic pressure relief and maximum flexibility in many applications. Normal and extra small edition available. Configuration according to customer requirements possible.

Technical data

Item No.: 633871 normal size
800 x 600 x 1100mm (l*w*h) normal size
Item No.: 756350 small edition
800 x 450 x 1000mm (l*w*h) small edition
Current type Ph / V / Hz 3 / 440 / 60
Flow rate l/h 900
Working pressure bar / MPa 500 / 50
Working pressure PSI 7250
Max. inlet temperature °C 60

Equipment

High-pressure hose m 20
Spray gun with flat nozzle and dirt blaster
Brass water inlet
connecting cable m 5

Spare Parts

High-pressure hose m 10 / m 20/ m 30 Premium quality
High-pressure hose connector
Dirt Blaster Nozzle
Flat Nozzle

**Vacuum cleaner with
container capacity of**

7, 10, 12 and 15 liter

Compact and whisper quiet: compact, mobile Kärcher dry vacuum cleaners have been specially designed to meet the needs of professional customers.

Technical Data

Container capacity
7(l) Item No.: 655543
10 (l) Item No.: 673277
12(l) Item No.: 479847
15(l) Item No.: 633861
Vacuum mbar / kPa 240 / 24
Container capacity (l) 12
Max. rated input power W 800
Standard nominal size 35
Cable length m 12
Frequency Hz 50–60

Equipment

Suction hose m 2,5
Metal suction tube 2 x 0,5 m
Filterbag fleece
switchable floor nozzle mm 285

**Wet & Dry
vacuum cleaner with
container capacity**

30-80 liter

Compact and easy to transport: wet/dry vacuum cleaner NT 40/1 Tact Te with 40 l container and bumper for long, uninterrupted working.

Technical Data

Item No.: 769815
Vacuum mbar / kPa 254 / 25,4
Container capacity l 40
Max. rated input power W 1380
Standard nominal size 35
Frequency Hz 50–60

Equipment

Suction hose m 4 Safety class I
Filter bag Fleece
Wet and dry floor tool mm 360
Crevice nozzle
Connector for electric tools
Automatic on/off control for electric power tools
Antistatic system

**Spray extraction
machine with 2 bar
spray pressure**

10 liter

Device with defoamer dosage, RM compartment, integrated cable hook, fixation for hand tool / suction tube

Technical Data

Item No.: 632149
Vacuum mbar / kPa 220 / 22
Spray rate l/min 2–2
Spray pressure/ram pressure bar 2
Fresh / waste water tank l 10 / 9
Power rating fan W 1250
Power rating, pump W 80
Frequency Hz 50–60

Equipment

Spray hose with integral water feed m 2,5
Additional handle
Hand tool
Wide floor nozzle with flexible suction lip

Steam Cleaner

4 liter | 4 Bar

Compact steam cleaner SG 4/4 with powerful 4 bar steam pressure

Technical Data

Order Number: 782755
Voltage V 220–240
Heating output W 2300
Tank capacity l 4
Cable length m 7,5
Steam pressure mbar 4
Frequency Hz 50–60

Equipment

Steam suction hose with handle
Two steam tubes
Floor tool
Hand tool
Round brush, black
Upholstery tool with brush
Power nozzle
Detail nozzle

Spare parts for cleaning technology of all brands.
